

Here is the order of worship for this upcoming Lord's Day livestream. We will be returning to our Matthew series. Additionally, we'll be trying out sermon discussion afterwards. Once the service ends, we'll give everybody 5-10 mins to stretch and move around. After that time, we'll turn on the mics and have a brief discussion of the sermon. We will keep the Zoom room open after sermon discussion so that people can chat with each other like we've been doing thus far.
